## Key:

**1. Funding Region:** This is any DHS Region which has a HACC service plan with the agency. A number of agencies receive funding from multiple Regions.

**2. Name of Agency:** The agency that manages the funding and delivers the HACC service.

**3. Core Funds (Pre-Growth) :** This represents the full year effect of base funds received by each agency, prior to the allocation of any expansion of services growth funding. Cost indexation is included in the agency amounts.

**4. Growth Funds (Full Year Effect) :** This represents recurrent growth funds received by an agency for expansion of services in 2001-2002. This is included as a full year effect figure.

**5. Final Full Year Effect :** This represents the final approved ceiling for each agency at the end of the financial year, and totals core and growth funds. This is included as a full year effect figure.
